

The Benefits of Outsourcing

Get Ahead offers a great alternative to recruiting for several reasons

<i>Employing or using multiple suppliers</i>	<i>Using Get Ahead's Virtual Experts</i>
Finding a single candidate/agency who possesses all the required skills is a challenge	With a team of over 90, Get Ahead will select an expert, or a team of experts, with the specialist skills and experience required. We also focus on team fit, ensuring your expert(s) complement your organisation
It takes time to find the right candidate/agency	Our teams are accustomed to working virtually on a multitude of projects. Our agile approach and processes mean we can commence engagement rapidly
The right candidate/agency will require management, training and development budget and resources to transfer and relay knowledge	Our experts are highly skilled with extensive experience and are accustomed to working and delivering remotely and flexibly
Recruitment costs/agency fees can be expensive	There are no fees to engage Get Ahead, the only costs are for the deliverables
One candidate has limited capacity and will require holiday and out of office cover for their core skillset	There is no commitment to number of hours or individuals with our virtual teams. We can flex our team as and when needed to allow for holiday cover as well as peaks in requirements from your existing clients and pitching for new business etc.
