# SWOT analysis template

A SWOT analysis highlights your business strengths, weaknesses, opportunities and threats. Fill in the template to see where your business is now and how you can take it further.

### **POSITIVES**

## **Strengths**

What do you do well?

E.g provide outstanding products or services.

What do you have that supports you to do this?

E.g. a great team, well-maintained vehicles, a good location for your office.

### **NEGATIVES**

### Weaknesses

What's holding you back?

E.g. not enough time, lack of confidence about business processes.

Where do you lack skills or resources?

E.g. minimal finance skills, out-of-date software.

# **Opportunities**

What trends align with your offering?

E.g. seasons, social media trends.

What industry developments allow you to grow?

E.g. new materials, government grants,
new technology.

### **Threats**

Who are your competitors?

E.g. other businesses with a similar offering, tech advances, AI.

What are the wider threats to your business? E.g. rising costs, saturated market, product scares.
